CAUSE NO. 42801

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On March 7, 2005, ICG Telecom Group, Inc. ("Petitioner") filed its Petition with the Indiana Utility Regulatory Commission for expedited review of its numbering resource applications as captioned herein.

The Presiding Officer, having reviewed Petitioners' pleadings and being duly advised in the premises, hereby finds that Petitioner shall answer the following data requests on or before April 1, 2005.

1. As a result of the return of the numbers at issue, are there customers out of service? If so, how many customers, and for how long?
2. What is the involvement of Level 3 in the provisioning of service to customers?
3. Does ICG have any numbering resources assigned to it in the Thorntown and Roachdale exchanges? If so, why could these resources not be used to provide service?
4. Does ICG need the entire code, or just the 1000 block(s) containing the assigned customer numbers?

IT IS SO ORDERED.
